Aug 2024 – Expected Dec 2027 | GPA: 3.92/4.00

EXPERIENCE

Student Worker, Media Arts + Practice (MA+P), USC — Los Angeles, CA

Aug 2024 – Present

- Supported production and execution of four department events, managing setup, breakdown, and technical coordination.
- Assisted with stage preparation and spatial setup, acquiring hands-on experience in staging and event flow.
- Collaborated with staff and student teams to ensure smooth operations and optimal audience experience.

Media Department Intern & Design Assistant, Houji Catering — Shanghai, China

Jun 2025 – Aug 2025

- Created 21-page menu in Adobe Photoshop and Illustrator, integrating layout, typography, and brand identity for visual impact
- Collaborated on 3 advertising projects from concept to final delivery with senior designers, ensuring cohesive design execution
- Developed logo concepts and prepared visual assets for production, facilitating smooth handoff to production team

LEADERSHIP

Vice President & Main Stage Manager, Gate Five Chinese Theater — Los Angeles, CA

Aug 2024 – Present

- Coordinated daily rehearsals and performances for four productions, ensuring seamless execution and artistic alignment.
- Facilitated communication among directors, cast, and technical teams to enhance collaboration and streamline production processes.
- Assisted in planning stage design and lighting for all productions, contributing to cohesive visual storytelling.

Event Planning Program Manager, BIA International Student Association — Los Angeles, CA

Aug 2024 – Aug 2025

- Coordinated event layouts and logistics for campus events, ensuring seamless execution and attendee satisfaction
- Coordinated cultural events to promote international student engagement and community.
- Facilitated workshops on academic success and personal development for students.
- Developed partnerships with local businesses to provide resources for international students.

PROJECTS

Game Designer, *Frankencreature* — USC
2026

- Created narrative world-building and thematic direction for original board game.
- Designed card visuals and UI layout to ensure cohesive style and readability.
- Collaborated on game mechanics design, refining rules and balancing gameplay experience.

Group Lead, *Emberence: What Fire Remembers* — USC
Dec 2025

- Led a team to create an immersive exhibition exploring wildfire, memory, and environmental storytelling

- Directed concept development, spatial design, and interactive audience experiences
- Coordinated team workflow across design, narrative, and installation
